Great, thanks. Have added a few last comments.

Brianna, please send to the interagency along with EPA comments on the list of WHO's proposed commitments so that the perm rep in Geneva has them for tomorrow morning's meeting with WHO.

I had a couple additional points on the action agenda. The rest look fine to me.

Hi all,

In addition to the draft chair's summary and list of proposed commitments attached is our office's comments on the annotated agenda. Please also take a look at these, we are still running parallel review in OITA as well.

Hi all,

OITA has marked up versions of the proposed chair summary and proposed commitments that we received early this week. We are still reviewing internally but we wanted to get your feedback before we send back to HHS. Please take a look and get back to us with any comments/edits by noon on Monday.

Thanks,
